## **Eclipse Waste by Promoting the Reuse of Glasses**

You can help extend the life of the millions of disposable eclipse glasses used briefly yesterday. Both organizations will gift them to South Americans for the [October 2 annular solar eclipse](#).

Mail undamaged (unscratched, wearable) eyeglasses to:

1. The Astronomers Without Borders collection program. [Solar Glasses Recycling And Distribution - Astronomers Without Borders](#)
2. [Donate Used Eclipse Glasses | Eclipse Glasses USA \(eclipse23.com\)](#) Email info [at] eclipse23.com () for mailing instructions, Eclipse Glasses USA, LLC P.O. Box 50571, Provo Utah, 84605.

## **Lights**

Christmas and String Lights are accepted!

## **Bulky Waste**

The following Bulky Items are not accepted at the Transfer Station - air conditioners, dehumidifiers, refrigerators, freezers, mattresses, box springs, sofas, and upholstered chairs.

## **Reduce, Reuse, Recycle**

The Town of Stockbridge uses the Springfield, MA Materials Recycling Facility (MRF)

Check out their website for tips on recycling <https://springfieldmrf.org>

## Properly Dispose of Paint

Latex paint may be discarded in trash, but it needs to be dried out first. If you have a small amount of paint residue, you can dry it out by leaving it in the sun. For larger quantities of paint, you can use kitty litter or a commercial paint hardener to dry it out. Oil paint cannot be disposed of in the trash, so you'll need to find a disposal or drop-off site using the following tools.
